Ravi Avaiya

WEB DEVELOPER

PROFILE

I have successfully completed my BSc.IT graduation with a strong foundation in Information Technology and a keen interest in web development. Proficient in HTML, CSS, JavaScript, and familiar with modern web frameworks such as PHP and ASP.Net. Possesses hands-on experience in building responsive and user-friendly websites through academic projects. Looking forward to beginning a professional journey as a Web Developer to create innovative and impactful web solutions.
